GAY comix no. 14

$2.50

Mature Readers

FROM THE EDITOR

In 1980, **Kitchen Sink Press** published the first issue of a new underground anthology, edited by **Howard Cruse**. Gay Comix **#1** was popular, but the next four issues were only released yearly.

In 1985, **Bob Ross** acquired the publishing rights to Gay Comix, and named **Robert Triptow** as editor with issue #6. Robert put together some great issues, though an unlucky #13 seemed to have been caught in a space-time warp.

Early in 1991, Bob Ross approached me about editing Gay Comix, once Robert's tenure was over. I had been wanting to see a regularly produced gay and lesbian anthology for some time. I had tried to arrange a new series, Gay & Lesbian, INK., but had been turned down by every comic publisher. Alyson Publications was going to do the series, but the deal, as they say, fell through.

So, it comes to Fall 1991 and Gay Comix **#13** is finally out. Bob Ross just happened to be here in Portland and we met for hours, discussing the future of this series. Weeks later, we reached an agreement, and work began on some damned exciting comics. What's new here? A lot!

As of issue **#14**, Gay Comix will be a seasonal quarterly. . . and we mean that! Not only that, but we'll be publishing at least two Gay Comix Specials a year! To my way of counting, that's actually six issues a year.

Each issue will have a front and back cover, alternating male and female cartoonists. The insides will also be gender-balanced, with half of the material from women, and half from men! As of next issue, we will have a letters page, so write, write, write!

The inside back cover of each issue will spotlight each of the creators within the book, letting you know more about them. Theme issues are on the horizon. We'll be showing the works of lots of old favorites, lots of soon-to-be-new favorites, and many people you may have never thought you'd see in an issue of Gay Comix. And. . . there may even be a name change on the horizon!

So what about the immediate future? Glad you asked.

Gay Comix Special **#1** will be out in mid-February. This is the all-"Leonard & Larry" issue by **Tim Barella!** One of the most popular gay strips of all, we'll be presenting 40-pages of comicdoms best bearded hunks. And coming this summer in Gay Comix Special **#2,** it's the all **Allison Bechdel** issue, featuring lots of new work!

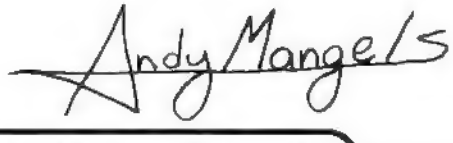
Gay Comix **#15** will be out early April 1992. It will have a front cover and story by **Ivan "Tales of the Closet" Velez**, a back cover by **Noreen Stevens**, and stories by many others, including **Donna Barr, Roberta Gregory, Vaughn Frick, Rhonda Dicksion, Andrea Natalie, Jeff Richard, Dave Young,** and **Jennifer Camper!**

If you're interested in submitting work for future Gay Comix, or you want to write in to our letters page, write to : **Andy Mangels - Editor, Gay Comix, PO Box 3226, Portland, OR 97208-3226**. If you want to order back issues (**#6-13** are available), send $3.50 apiece to Gay Comix, 395 9th St., San Francisco, CA 94103-3831.

I'm excited about the future of Gay Comix. I tip my leather cap to **Howard Cruse** and **Robert Triptow**, both of whom have provided a strong image of excellence to look up to, and both of whom have given me lots of advice and encouragement.

And to you, dear readers, whatever your orientation or interest, dive into the following pages with the same gusto I did as they arrived on my desk. And we'll see you in a few short months!

Keep Loving!



Special Thanks to Michael Goldberg for his assistance and support!

The WONDER (is it am?) YEARS

starring a youthful Kenneth-Marie

though I was beginning to feel comfortable with the rhythms of eighth grade, the morning of sept. 14, 1975 was marred by a feeling of uneasiness...

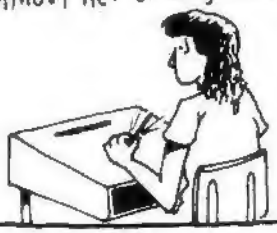
...foreboding.....

from my vantage point in the 5th seat of the row by the window I could see many of the key players in my life...

my ex-boyfriend, John Stewart...

...and Miss Hunter, our homeroom teacher & everybody's phys. ed. teacher since kindergarten

in the midst of all these familiar faces was the new kid, looking skittish and apprehensive, one row over and one seat up... where I could watch her without her seeing me.....

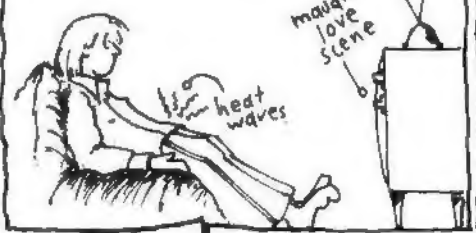


her name was **Anya Tomas** and, for some **WEIRD** reason, she seemed to be the source of my uneasiness...

The WONDER (is it am?) YEARS

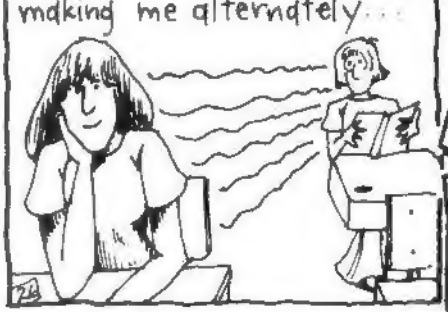
starring a youthful Kenneth-Marie

I was well aware that **puberty** had me in its grip, and, with **hormones** racing, my body could betray me at any moment...

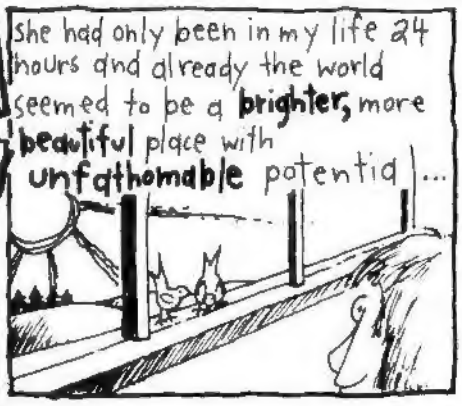


none-the-less, I was unprepared for the curve ball that hit me squarely between the eyes when **Anya Tomas**, the new kid, walked into Miss Hunter's eighth grade class...

the air between our desks seemed **alive** with **electricity**, making me alternately...



she had only been in my life 24 hours and already the world seemed to be a **brighter**, more **beautiful** place with **unfathomable** potential...



wait a minute.

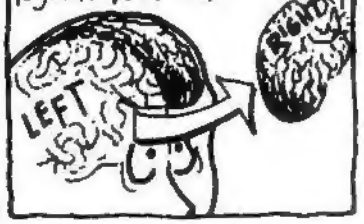
exactly what kind of **potential** was I thinking of??

The WONDER YEARS
if I am?

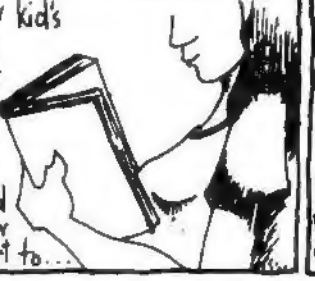
starring a youthful Kenneth-Marie

© Noreen Stevens '89

From time to time, the right side of a person's brain, the source of creativity + feelings leaps **way** ahead of the logical **left** side



that's exactly what happened to me on September 15, 1975 as I drank in the subtle contours of the new kid's jawline where it turned into her neck and meandered down under her T-shirt to...



at which point the left side of my brain caught up and began some **badly needed analysis**

I had noted, in my single greatest source of sexual information, my brother's dirty magazines, that women did have sex **with other women**

We kissed and hugged and rubbed our breasts together, felt each

Generally speaking, though, they did this either with their boyfriends.

I still wanted to make it with a woman, but only if he was there, too

"If I agree to live out this fantasy, will you be there? Can the three of us make it together instead of just she and I?"

Most of what we did do was under his advice. She seemed to need him there for confidence.

Cat and I have gotten it on about four times since that time. Each time seems to be more earth-shattering and always lasts quite late into the night. We both agree that it's not as good without him

... or they did it out of sheer boredom when their boyfriends were away...

She couldn't wait either, and we knew we had about half an hour before Jim's return, so she embraced me and slid her tongue into

This was **not** what I had in mind!! Regardless, continued research revealed that having sex with a woman did not **necessarily** mean one was a **lesbian.**

I'm not a lesbian, but I had often wondered what it would be like to make it with another woman.

This was a relief!!

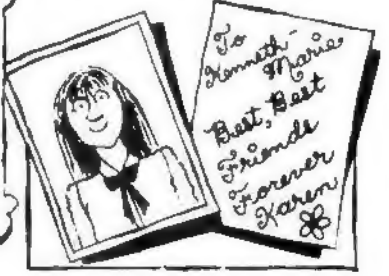
The WONDER YEARS
if I am?

starring a youthful Kenneth-Marie

The simple truth was, **lesbian** or **not**, I was in love with Anya Tomas. A passing phase, perhaps, but I had to do **something**. And in 13-year-old terms that meant one thing

Becoming her best friend...

Little did I realize that **serial monogamy** was about to become a trend in my life. You see, I already had a best friend



but our relationship was growing **stale**. We took each other for granted.

WANNA PLAY FISH? NAH.
WAR? NAH.
MONOPOLY? NAH.
CLUE? NAH.

I wanted something more **fresh + wild**...

ANYA SAYS HER MOM'S TEACHING HER TO PLAY BRIDGE.

ANYA, ANYA... THAT'S ALL YOU EVER TALK ABOUT. YOU'RE IN LOVE WITH HER, YA **LEZZIE!!**

Ouch!! In the hierarchy of schoolyard abuse, **lezzie** was sewer sludge.

I AM NOT!!

WHY DON'T YOU GO BE HER BEST FRIEND?

pleading at a woman's feet was about to become a trend in my life, too.

OH, COME ON. LETS JUST PLAY SOMETHING!?

NO, I'M GOING HOME

© Noreen Stevens 1990

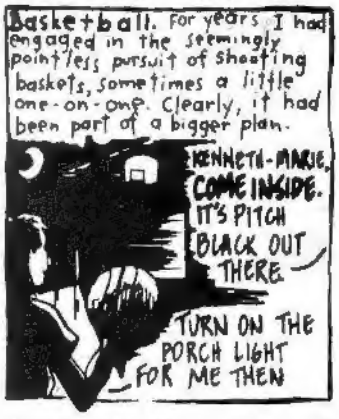
The WONDER (is it am?) YEARS

starring a youthful Kenneth-Marie

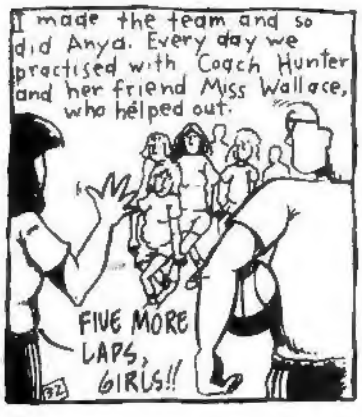
So, I was in love with Anya Tomas and wanted to be her **best friend**. But how? I had to be **subtle**... ...execute a carefully crafted move into her life.

One day I was given the answer and became a believer in the existence of some cosmic order.

Basketball. For years I had engaged in the seemingly pointless pursuit of shooting baskets, sometimes a little one-on-one. Clearly, it had been part of a bigger plan.



I made the team and so did Anya. Every day we practised with Coach Hunter and her friend Miss Wallace, who helped out.



and slowly

... very slowly...

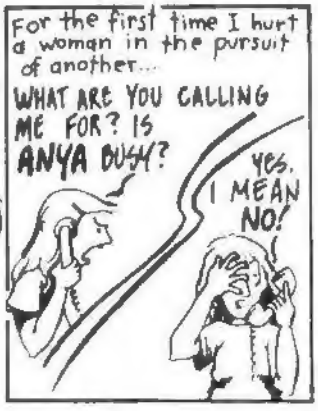
...we became best friends

The WONDER (is it am?) YEARS

starring a youthful Kenneth-Marie

Eighth grade was quite a year!! For the first time I considered the possibility that I was gay...

For the first time I hurt a woman in the pursuit of another...



And I got my first pair of high heels, just in time for the graduation dance.

Anya and I looked very cool that night...

We laughed at the leisure suits and the well-intentioned home ec. projects...

then I made the mistake of going to the bathroom... and when I got back...

Anya was dancing with Scott Simpson.

I left after that. And for the first time, I cried over a dumb girl.

THINGS'LL BE GOING FINE AND THEN... THEN I'LL GO N' SPOIL IT ALL BY SAYING SOMETHING STUPID LIKE, "I LOVE YOU"!... THAT ALWAYS SCARES 'EM OFF; EVERYBODY'S AFRAID OF THAT DIRTY WORD... COMMITMENT.
...WHY SHOULD HE BE ANY DIFFERENT THAN ALL THE REST? WHY DO I KEEP TRYING? WHY DO I KEEP LEAVING MYSELF OPEN TO ALL THE PAIN? WHY DO I KEEP INVESTING SO MUCH EFFORT IN RELATIONSHIPS I KNOW JUST WON'T...!
MMM... THAT'S WHY! ...GEEZ, I'M SUCH A PUSHOVER!
